

GINORMOUS PUMPKIN REGATTA 2018

October 20, 2018

11AM – 2PM

North Shore – Oquirrh Lake

10491 Lake Ave

South Jordan, UT 84009

The Ginormous Pumpkin Regatta will be back at Oquirrh Lake in Daybreak on Saturday, October 20th. We are excited to gather giant pumpkin growers together to take part in this unique event that draws nearly 4000 people to the shores of Oquirrh Lake. As always we want to keep the event fun and we want you to be able to enjoy floating around and playing in your 'kin. In order to run a successful, entertaining and effective event and to ensure the growers are properly credited for their efforts in growing their pumpkins, we will need to know which pumpkins will be entering the regatta and who the rowers for each heat will be. For safety purposes as well as DJ shout outs, we want to ensure that the names are accurate. All growers are welcome to enter their pumpkins into the regatta. Before the races begin, there will be crafts, activities and booths for the public to engage with. Food trucks will be there for the entirety of the event.

The Ginormous Pumpkin Regatta schedule (for the public) will be as follows:

11:00 - 12:30 ---- Pumpkin carving, boat prep, crafts, activities

12:30 – 1:30 ---- Races

Heat 1 – Kid's Race (14 and under)

Heat 2 – Relay Race (Two rowers needed)

Heat 3 – Grower's Race

1:30 – Clean-Up, Pictures

All growers bringing their pumpkins to the event are permitted to arrive at the event location beginning at 9:00am. There will be a forklift on site to help with the transport of pumpkins from trucks/trailers and into the water. Growers will receive two t-shirts.
